

HEALTH AND SAFETY STATEMENT OF INTENT

We at Shadrakes Silo's regard the promotion of Health & Safety as an objective for everyone.

Our aim is to be the “safest” in our industry.

The Company, being aware of its moral and legal obligations will:-

Consult with employees and employee representatives on all matters of Health and Safety.

Continually develop Safe Systems and Safe Methods of Work.

Provide information, instruction and training in order to promote Health and Safety at Work.

Strive to ensure that our safety performance continually improves.

So far as is reasonably practicable, provide safe plant and equipment.

Provide all necessary welfare facilities to promote good health.

The Company believes that Safety is about:-

Encourage teamwork and co-operation.

Promote individual responsibility and pride.

Have the forethought to anticipate problems before they arise.

Where hazards do exist, ensure that all necessary controls are in place to safeguard all persons who may come into contact with the hazard.

ACCIDENTS ARE NOT INEVITABLE - THEY ARE CAUSED BY PEOPLES' ACTS AND OMISSIONS. THEREFORE, EVERYBODY HAS A PART TO PLAY IN MAINTAINING A SAFE WORKING ENVIRONMENT.
